HZDR SUMMER STUDENT PROGRAM 2020 IN DRESDEN

About HZDR Helmholtz-Zentrum Dresden-Rossendorf (HZDR) is located in Dresden and is part of the Helmholtz Association, Germany's largest research organisation. It houses eight institutes as well as four large-scale facilities. Joining HZDR, summer students will have the opportunity to work in the fields of

- matter,
- energy,
- health and
- technology.

Projects and Lectures Projects for the summer students will be selected from a list of proposals provided by the research groups at HZDR, in order to find the perfect match for each student. Individual work in the research groups will be accompanied by a lecture series open to all summer students that will provide insight into the research performed at HZDR.

Financial Support HZDR summer students will receive free accommodation as well as a stipend to cover additional costs. Please visit our website for more information.

Who can apply?
All advanced undergraduate or master students of natural sciences (physical and life sciences) or related areas.

How to apply?
For the application procedure please visit our website:
www.hzdr.de/summer
